# STAFF AUGMENTATION

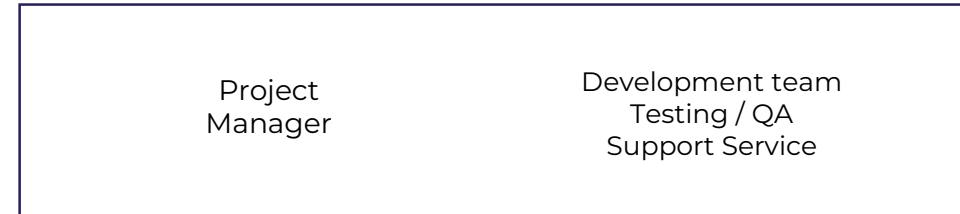

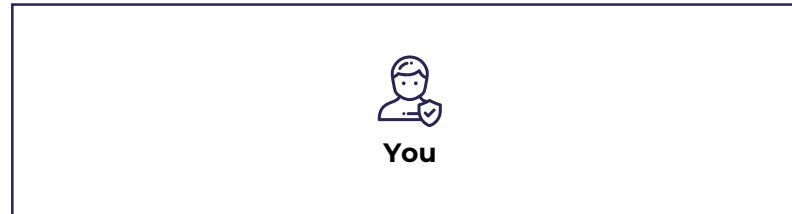

# DEDICATED TEAM

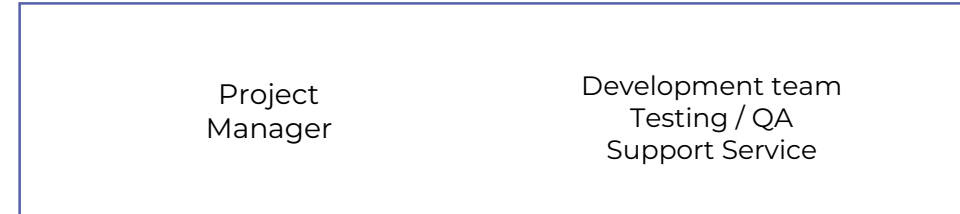

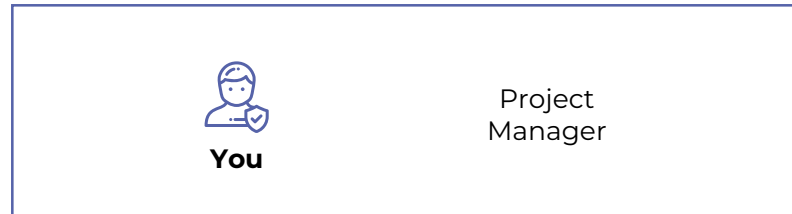

**YOU**

**IDEVO TEAM**

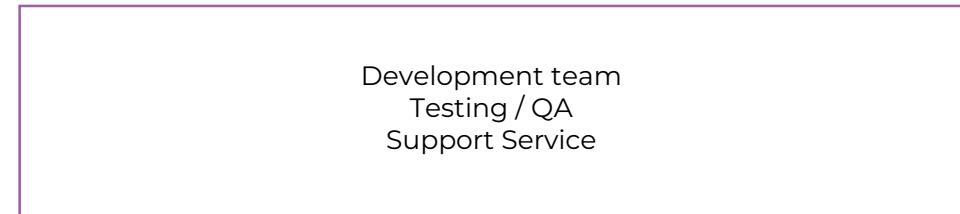

**Team A**

**Team B**

**Team C**

# FIXED GIGS

## Step 01

Share  
Requirements

Proposal &  
Quotation

## Step 02

**Phase - I**  
Design

**Phase - II**  
Development

**Phase - III**  
Testing

**Phase - IV**  
Deployment

**Phase - V**  
Evaluation

## Step 03

Maintenance &  
support

Our Model

# Selected VALUE CLIENTS

---

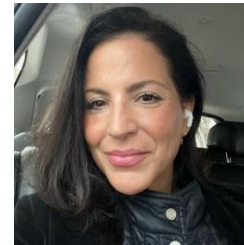

An undeniable industry experience

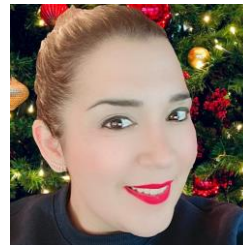

# Our Clients Feedback

The team at **IDEVO** has excelled in the healthcare sector, delivering a project that aligns with both industry standards and user needs. Their focus on detail and innovative solutions has significantly enhanced healthcare delivery and made a meaningful impact.

**IDEVO** has shown exceptional leadership in social entrepreneurship. Their project not only addresses societal issues but also creates sustainable and meaningful solutions, demonstrating their commitment to making a positive social impact.

The AI-driven web development by **IDEVO** is exceptional. They crafted an innovative, user-friendly website that combines advanced functionality with intelligent design, demonstrating their expertise in artificial intelligence and cutting-edge technology.
